

Social Media for Learning and Sharing

Make your own YouTube, Instagram or TikTok videos at home, on your own or with your friends.

Learn and sing your parts and share with the other #CSO2024 singers. Show them how your

PRO TIP:

Sing, dance and make up games for learning fun. Always use the song hashtags provided when posting (included in the header for each piece) as well as #CSO2024.

By using the hashtags, you'll be automatically sharing your videos, tips, creativity, and enthusiasm with other CSO 2024 performers searching the hashtag.

Keep your videos short, interesting and helpful.

Choir Teachers:

Encourage (or participate in) the social media fun of your students!

[Use of social media is subject to the approval of a student's parents and caregivers, school policy and the use of appropriate online safety settings.

Safety settings and *How-To* guides are available online.]
